All you need is to hire an expert to help you accomplish that. If there's any need to spy on your partner's phone. From my experience I lacked evidence to confront my husband on my suspicion on his infidelity, until I came across ETHICALHACKERS which many commend him of assisting them in their spying mission. So I contacted him and he provided me with access into his phone to view all text messages, call logs, WhatsApp messages and even her location. This evidence helped me move him off my life . I recommend you consult ETHICALHACKERS009 @ gmail.com OR CALL/TEXT +1(716) 318-5536 or whatsapp +14106350697 if you need access to your partner's phone

HOW I recover MY \$56,000 from coincrypto. tech fake broker

I'm forever grateful to Jetwebhackers for their remarkable assistance in recovering the \$56,540 I had lost to a crypto scam. This amount was meant to cover my husband's urgent hospital bills, and I was deceived by a fraudster posing as Agent David, who promised me a return of \$580,340 - but it was all a scam. Thanks to Jetwebhackers' expertise and dedication, I was able to recover not only the initial investment but also the profit I was promised. Their help has been a blessing to my family, and we can now focus on my husband's recovery without financial stress. I highly recommend Jetwebhackers to anyone who has fallen victim to crypto scams. They are professional, efficient, and compassionate. Thank you, Jetwebhackers, for your exceptional service and support during a difficult time!"CONTACT THEM VIA
